

2021 Song Lyrics – “Say it”

*We want to raise our voices
because we have the power to change everything
Let's raise our voices
Say it louder!*

Kids&Us gives you the power
Kids&Us gives you the words
To express yourself, to make your choices
To speak out loud with your own voices

Don't be afraid to tell your truth
We are eager to hear your thoughts
Tell us your story in your own words
Speak for yourself, we vouch for you

(Chorus)

Listen to the Kids!
Listen to Us!
Listen to the Kids of Kids&Us!
We have the voice!
We have the power!
We say it in English!
We say it louder!

We know your voice can make a difference!
We know your voice can change the world!
This is the Kids Manifesto!
Join us and let the people know!

(Chorus)

Kids&Us believes in you
Kids&Us gives you the floor
Just speak your mind, do things your way
The world must listen to what you say!

Come on! Don't shush your inner voice
You have strong views and your own ideas
Convey your point without fear!
Word by word make your message grow

(Chorus) x2
